

Date: 26 February 2019

Dear Guests and Visitors,

Our hidden gem, Tintswalo Atlantic, caught fire on 05 February 2019. The blaze completely destroyed the main lodge area including the lounge, dining room and public areas as well as one of the 12 guest rooms. Fortunately, with the successful containment of the fire, the other 11 guest suites were not affected.

We are happy to announce that we will re-open for business no later than 1 October 2019.

For all future bookings or general enquiries, please contact our reservations team on +27 (0) 11 300 8888 or email us at res1@tintswalo.com or res2@tintswalo.com

We look forward to welcoming guests back by October 2019.

On a happier note, we invite guests to visit our new villa, Tintswalo at Boulders in Simon's Town. This villa operates on a bed and breakfast basis, and is available on an exclusive-use basis for families or friends travelling together. We look forward to seeing you soon.

For bookings please contact us on +27 (0) 11 300 8888 or email us at res1@tintswalo.com

Kindest Regards,
The Tintswalo Family
