

# Escape the stress of city life at Tintswalo Lodge

TINTSWALO Safari Lodge is situated within the 26 200 hectares of the pristine Manyeleti Reserve, on the western boundary of the Kruger National Park, where guests are ensured of a peaceful, exclusive and uniquely rewarding safari experience.

This lavish and private sanctuary offers guests the sights and sounds of Africa's Big Five, as well as the area's spectacular bird life.

In addition, guests can also enjoy the tranquillity of the surrounding bushveld with alfresco dining on the lodge deck, exquisite formal dining area, or even under the stars in the African bush.

Further to indulging in fine dining, the lodge's Vital Source Spa is privately situated and has internationally trained therapists, ready to remove the last remnants of city stress from body and mind.

In the native Shangaan language, Tintswalo means "the intan-
