## PA's Cocktail Evening

On the 19th of March, Tintswalo at Waterfall hosted its PA's cocktail evening. There were more than a hundred PA's from local corporate businesses in and around Johannesburg. There was lots of glitz and glamour, coupled with magnificent prizes from various sponsors.

Amongst a few was an art piece sponsored by Alan Dent to the value of R 6500, a complete advanced driving course with AMG Mercedes sponsored by Sandown Motors Sandton, and designer footwear sponsored by Christiaan Micheal to the value of R 4500.

The MC for the evening was renowned motivational speaker Ryan Hogarth. The guests were entertained by suppliers like HONEY jewellery, Qaftans and Qi and many more. The evening was spectacular with great food paired with delicious wine. Guests had a lovely evening and the feedback has been amazing.
