

Facts & Information

Tintswalo Family Camp is located in the Welgevonden Game Reserve in Limpopo, South Africa. The Welgevonden Game Reserve comprises of 40,000 hectares of pristine bushveld and ranks amongst South Africa's largest private game reserves, forming part of the only savanna biosphere reserve in the world, proclaimed by UNESCO in March 2001. It has the greatest variety of game and is home to South Africa's "Big Five". The malaria-free Welgevonden Game Reserve is a pioneer in conservation initiatives; this ethos forming an integral part of the rich, multi-generational family experience of offer at Tintswalo's Family Camp.

Tintswalo Family camp caters for families or executive breakaways on a private-use basis only. It is child-friendly, welcoming children of all ages and is ideal for a group of 10 but can accommodate a group of up to 16 with en-suite bathrooms, and up to 20 guests when the group includes younger children sharing a bathroom. Groups are offered full exclusivity where the entire group can spend quality time together, making the safari experience more personal and memorable. The need to disconnect from everyday life and connect to the wilderness is becoming increasingly sought after, with more and more people opting for experiences that are not purely for travel consumption but are good for the soul. Tintswalo Family Camp is strategically positioned to offer an exclusive and unique, private safari experience.

WILDLIFE & GAME RESERVE INFO

The Dutch word “Welgevonden” can be translated to “well found” or a “serendipitous discovery” which means to occur by chance in a happy or beneficial way. The majestic piece of land transforms at any opportunity, offering breath-taking views of untouched African wilderness and memories that will last a lifetime. The reserve is one of the finest to watch wildlife, feel the wilderness and experience the true spirit of Africa.

Welgevonden Game Reserve offers an exclusive, intimate bushveld experience, with only a limited number of guests having access to Welgevonden at any one time. The mountainous bushveld is worth a visit all year round, thanks to its high altitude, temperate climate. It is important to note that this reserve is not open to day visitors.

- Big 5 Game Reserve
- Malaria-free Area
- Over 50 different animals and 300 bird species

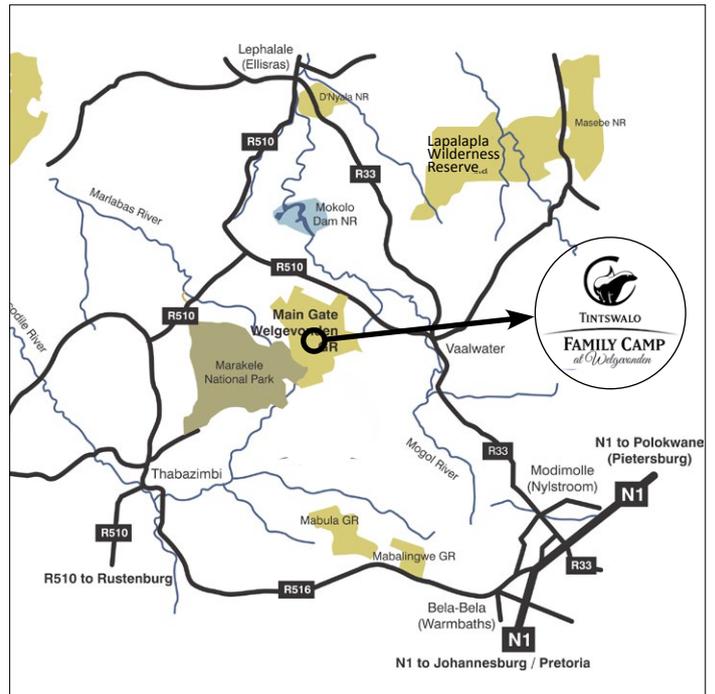

CHILD POLICY

We are a child friendly establishment and are well equipped for families and groups travelling with children.
